

How to install VLC

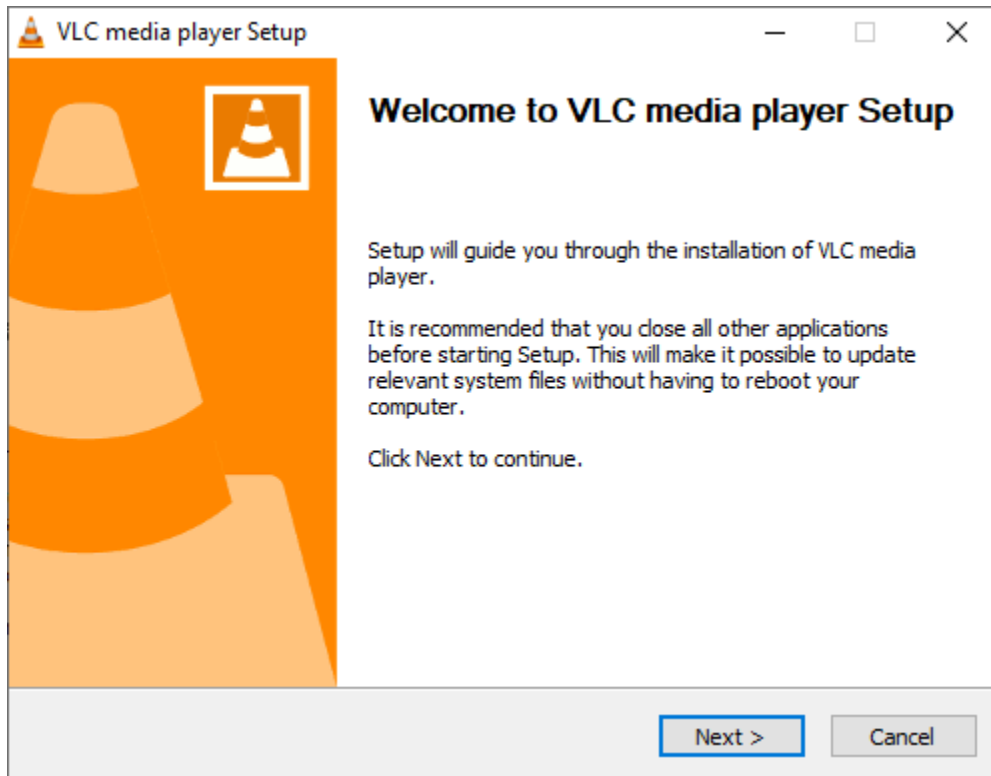

Step 1: Go to the Academic Software page of VLC and click on the button 'Download VLC' to download the installer.

Step 2: Open the .exe installer file from your downloads folder.

Step 3: Choose your language and click OK.

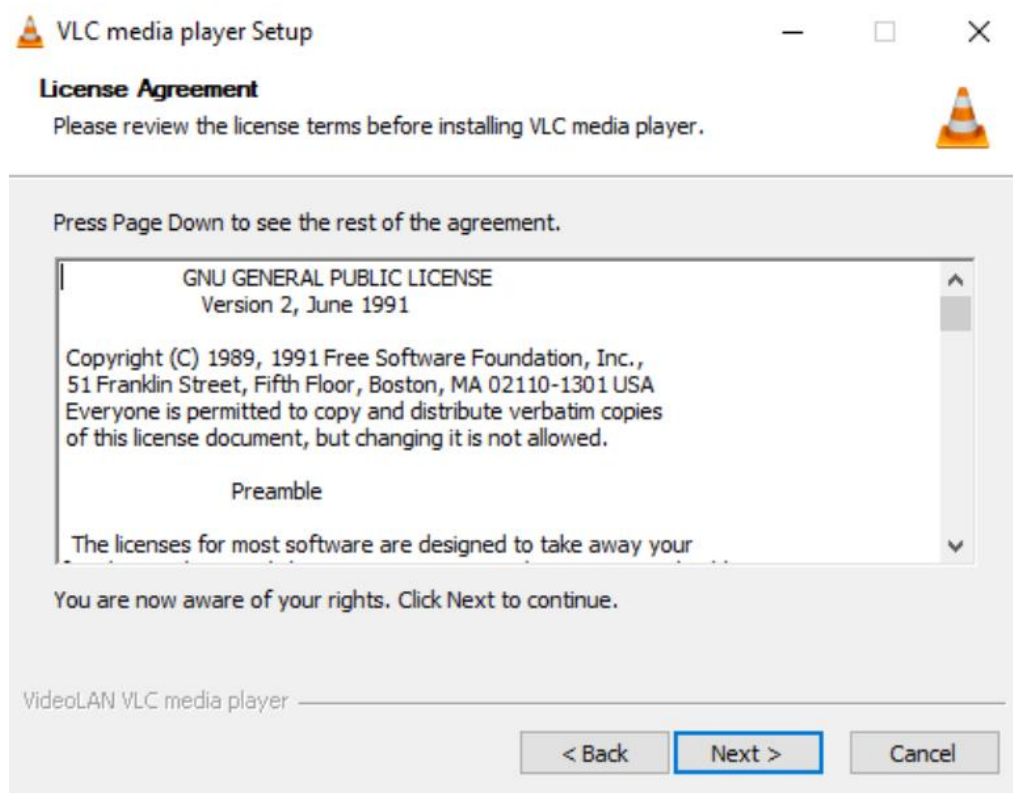

Step 4: Click Next.

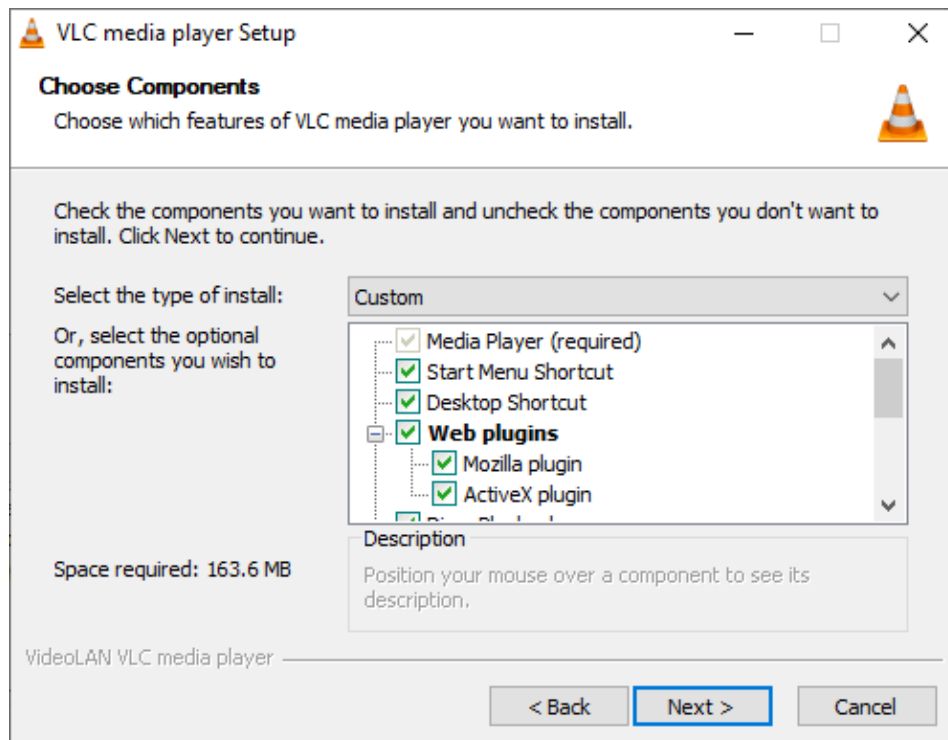

Step 5: Click Next to agree with the license terms.

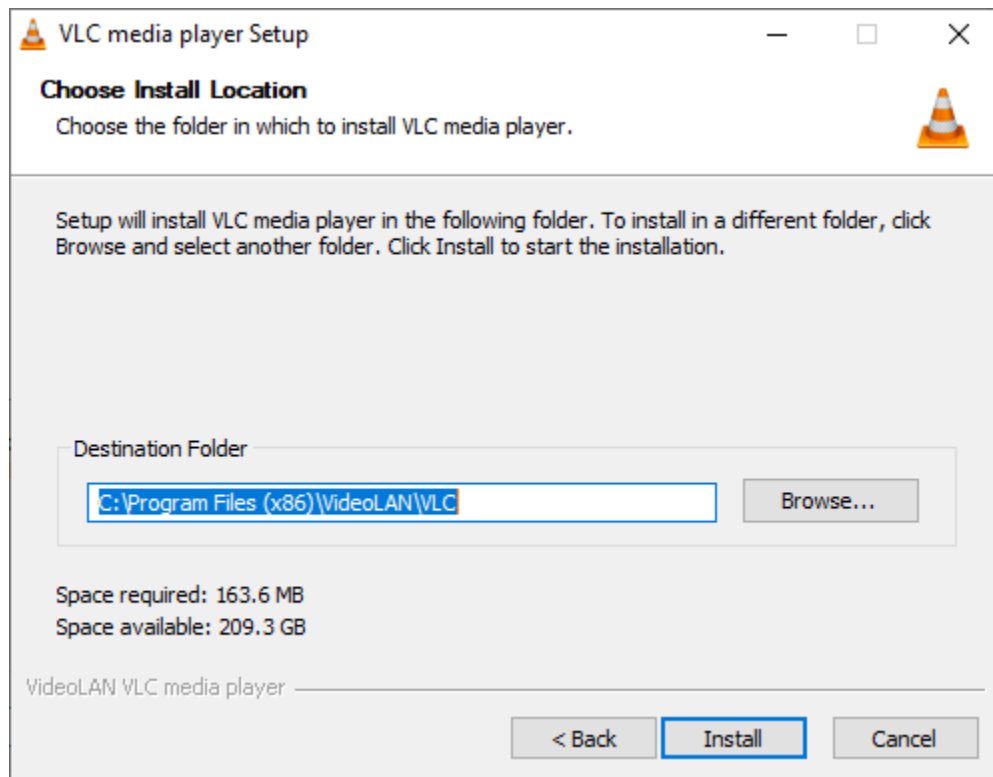

Step 6: Choose the components you want to install and click Next.

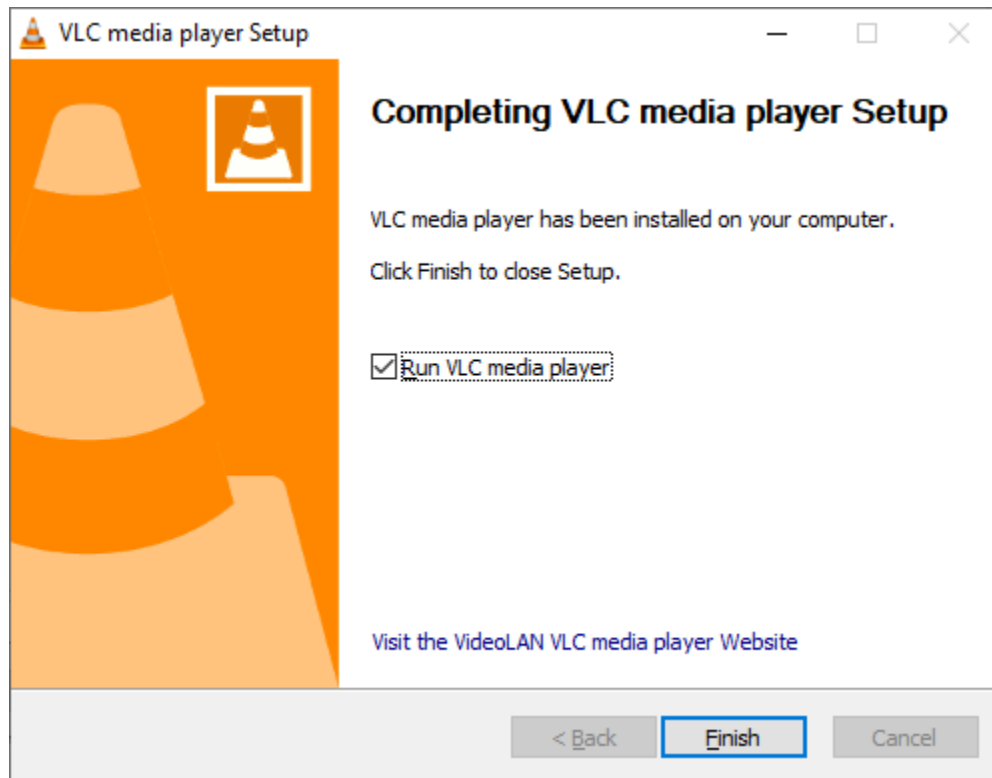

Step 7: Choose an installation location and click Install.

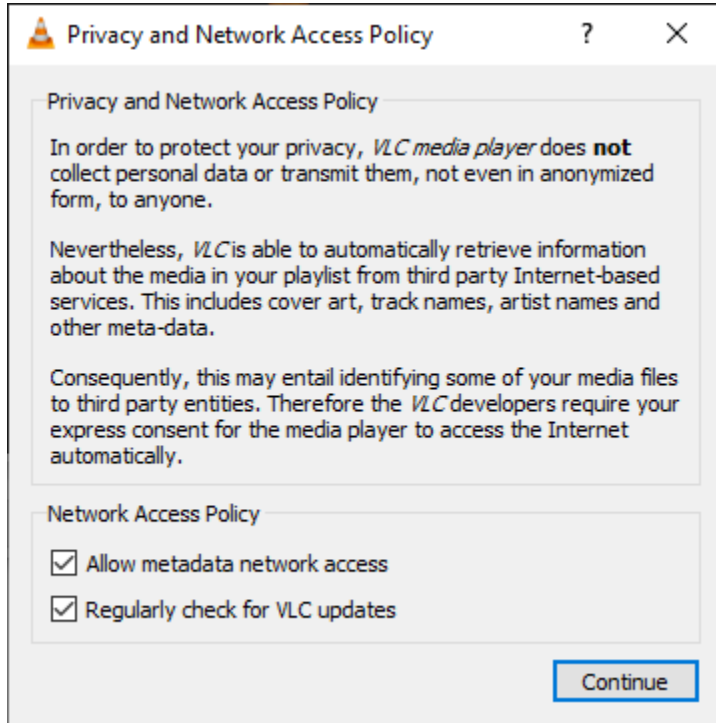

Step 8: Click Finish to complete the installation.

The software is now installed and ready to use.

Step 9: Click Continue to get started with the default privacy settings.
